Department of Zoology

NAME OF THE EVENT : 'Animal of the environment' -Poster event organized on World Environment Day.

TEACHER IN-CHARGE: Mr. Deepak Poojary

DATE: 5th June 2020

No. OF BENEFICIARIES: 24 Students

BRIEF REPORT: A poster event titled 'Animal of the environment' was organized by Mr. Deepak Poojary for students of S.Y.B.Sc on World Environment Day on the 5th of June 2020. A total of 24 students participated in the event.

The students were asked to prepare a poster in the form of a single slide. The slide carried a picture of the animal which they feel is a very important animal. Along with the picture, students also wrote a short description about the animal and also the reasons to justify it as a significant animal.

Students submitted a range of animals from the smallest earthworms to the largest vultures. The aim of this activity was to sensitize the students about the significance of each animal in the environment. This activity also motivated the students to read and refer to several sources for information. After the submission, all the posters were compiled into a video presentation. This was shared with the students, staff members and general masses on social media for wider reach.

Head, Department of Zoology.
