A National e-workshop organised by the ASC College, Bodwad, Jalgaon in association with MGNCRE was organised on **15th October, 2020** was well attended by all the committee members of the 10 working groups of our college. Mrs. Sandhya Tuti, the resource person from MGNCRE, DHE, Ministry of Education, Government of India through her talk informed the audience about the various activities to be carried out post- pandemic. But unfortunately, the Pandemic period got extended and is still on, the various activities had to be carried in a limited way, either at local place or through online mode.

In such a scenario, the committee members through their individual association forum and with the help of the students have done a very good job which is reflected through the activities conducted.

Under the instructions of the MHRD, through MGNCRE, to promote and take ahead the mission of building entrepreneurship among students of our Institution, a Rural Entrepreneurship Development Cell (REDC) was formed in the college in the **month of December, 2020**. The committee members are-

On 10th March 2021, the committee members of SES- REC along with participant students of REDC attended an online Google Meet meeting organised by Team REDC, Ministry of Education, Govt. Of India. The convenor of the Programme was Dr. Bhavesh Jasani. The meeting was attended by 07 teacher members and 20 participant students. A proforma e-link for Business Plan was circulated earlier. The purpose of the meeting was to discuss about the Business Plan and give an idea of the competition ahead. The RED Cell of the college was required to conduct Intra collegiate Business Plan competition amongst the student participants and select and nominate three entries who would represent the college at the Cluster level intercollegiate Competition. The task for this purpose was entrusted to Dr. Baisakhi Dutta, who was ably supported by her REDC committee members as well as other teacher staff. On 18th March, 2021, a zoom online meeting was organised and of the 15 students who attended 04 student participants volunteered to take part and prepare the Business Plan. Taking out precious time from their schedule, both the teacher members of REDC as well these 04 students, carried out their task whole heartedly following the guidelines given by these teachers on a separate whatsapp group formed for this purpose. The RED Cell (REDC) of R J College would like to thank and appreciate Dr. Vilasini Patkar, Professor and Head, Department of Commerce, for her guidance and later the help provided in judging the participants in the Intra-collegiate Business Plan competition. Once ready, the competition was held online on Zoom on 5th April, 2021 at 4 pm. In here the participants were supposed to give a powerpoint presentation alongwith the talk, for 10 minutes on the set proforma of their Business Plan. Finally, 03 participants were selected and their details sent to REDC, Gol, for further process. The response from them is still awaited.

Under the SES-REC, the committee members of the 10 working groups, through their respective associations and departments carried out various programmes related to Water Conservation, Energy Conservation, Sanitisation and Hygiene, Waste Management, Green Campus either in the form of E-quiz, Poster Competition, Field visit, Campus activity.

1. Water, Waste and Energy Management E-Quiz Activity

Water, Waste and Energy management intra collegiate E-quiz was organized for the students of all the streams (undergraduate and postgraduate) on 19th April 2021 through a combined activity of associations such as Water management campus (Dr. Deepali Pimple), Water management community/adopted villages (Dr. Manisha Bhattacharya), Waste management campus and community/adopted villages (Dr. Palak Chawla) and Energy management campus and community/adopted villages (Dr. Amol Kadam) The aim was to spread awareness among the students concerning water, waste products and energy management. It was an online open book multiple choice quiz to make them dig into the information of these managements and also students could assess themselves with the correct answer, as the motive was to strengthen their knowledge regarding these precious
