## Report

Yoga Awareness in fact is inevitable these days. Times are such, everybody suffers from stress, frustrations, conflicts and psychological issues. For complete physical, mental, emotional, social and spiritual well-being Yoga works as an elixir. The ancient Indian tradition of Yoga is not regional but universal in nature. It is not confined to any particular caste, class, religion, race or gender; but anyone at any suitable time can perform Yoga sadhana. In the event organized by the Philosophy Association, Yogasanas were demonstrated along with meditative Techniques, these being quite helpful to people of all ages and in particular students for whom it was intended. For overall personality development Yoga is a must.

### एक दिवसीय राष्ट्रीय वेबिनार - 'वर्तमान समय में प्रेमचंद की प्रासंगिकता'

प्रेमचंद जयंती (३१ जुलाई, १८८०)

प्रेमचंद हिंदी के युग प्रवर्तक रचनाकार हैं। उन्होंने हिंदी कथा साहित्य को तिलस्म और ऐयारी से बाहर निकाल कर उसमें जन साधारण की भावनाओं, परिस्थितियों और उनके जीवन की विविध समस्याओं का मार्मिक चित्रण किया है। वर्तमान समय में ये समस्याएं और भी जटिल तथा बहुआयामी हुई हैं, जिन्हें प्रेमचंद ने अपने लेखन के माध्यम से चुनौती दी थी। विगत सात दशकों में विकास के तमाम दावों के बावजूद भारत की सामाजिक, आर्थिक, राजनीतिक और सांस्कृतिक स्थितियों का सतत क्षरण हुआ है, ऐसे में प्रेमचंद और उनके साहित्य की प्रासंगिकता और बढ़ जाती है। इस परिसंवाद में हम प्रेमचंद के साहित्यिक अवदानों का पुनर्मूल्यांकन करने का आवाहन करना चाहते हैं। यह परिसंवाद इसी उद्देश्य को ध्यान में रखकर आयोजित किया जा रहा है।

## Report

The workshop on Basic Art of Madhubani helped the participants to revisit the history and art form of Madhubani Painting and understand the importance of this art in contemporary society. Madhubani Art (or Mithila painting) is a style of Indian painting, practiced in the Mithila region of India and Nepal. It was named after Madhubani District of Bihar, India which is where it originated. This painting is done with various tools, such as fingers, twigs, brushes, nib-pens, and matchsticks, and uses natural dyes and pigments. It is characterized by its eye-catching geometrical patterns. There is ritual content for particular occasions, such as birth or marriage, and festivals, such as Holi, Surya Shasti, Kali Puja, Upanayana, and Durga Puja. Madhubani painting (Mithila painting) was traditionally created by the women of various communities in the Mithila region of the Indian subcontinent. It originated from Madhubani district of the Mithila region of Bihar.

Students are torchbearers of the future; if they learn the basic form of this art they will be a carrier to the next generation and the art form will survive because of the new learners. Such workshops assist in "self-development and self-enhancement" and enrich each one who participated in this workshop and equipped them with this ancient art form. This workshop allowed students and teachers as participants to learn Madhubani as an art form and find out about the dormant artist. The guest speaker taught this art form in a lucid manner by helping the participants how to draw each line and shape of Madhubani art and also taught how to fill the shapes with colours. Everyone was amazed at the guest speaker for making this online workshop very live.

## REPORT OF THE PROGRAMME

The activities of CWDC for the academic year 2021-2022 were initiated on Wednesday, 11th August 2021 on a very apt note through the celebration of 'National Daughters Day'. Film clippings and Discussion were organised to make the event unforgettable.

Dr. Sneha Deuskar, Vice-Principal In Charge of Association activities and Head, Department of Marathi, Dr. Amita Valmiki, Head, Department of Philosophy and Prof. Indra Saud, Faculty, Department of Mathematics were the Guests of Honour and our special invitees. Dr. Baishakhi Dutta, Chairperson of CWDC gave the opening remarks.

A few film clippings from three movies Dangal, Gunjan Saxena and Neerja were screened. The scenes captured ups and downs, varied moods, struggles, virtues and triumphs of daughters and their parents in a very sensitive manner. All the films were biopics which made them motivating and inspirational.

The discussion by our respected Guests of Honour was very gripping and meaningful. Each of them highlighted the role of positive parenting and equal treatment to daughters and sons in the process of upbringing. As daughters, Sneha Madam and Amita Madam beautifully articulated their relationship with their parents. As a father, Indra Sir spoke about the unique bond between him and his daughter. He also recited a self-composed poem befitting the occasion.

The programme was compered efficiently by Dr. Nisha Muni. Prof. Arundhati Chitre initiated the filmclippings and made the programme very substantive. Dr Sanket Tikare Proposed the vote of thanks and Prof. Subodh Barve helped in camera shots.

**Atma Nirbhar Bharat and Micro Small and Medium Enterprises**

MSME stands for Micro, Small and Medium Enterprise. It was introduced by the Government of India in agreement with the Micro, Small and Medium Enterprises Development (MSMED) Act of 2006. As per this act, MSMEs are the enterprises involved in the production, processing or preservation of goods and commodities. Micro, Small and Medium Enterprises, coined as MSMEs, have come to become the Indian economy's major pillar of foundation. MSMEs enable citizens of a nation to venture out on their own and in turn, give back to society by creating new jobs and diversifying an area's gross domestic production (GDP). They constantly support the up gradation of technology, infrastructure development, and trigger the modernization of the country and our society as a whole. In terms of numbers, micro, small and medium enterprises contribute a staggering 30% to the country's GDP, and around 45% of the manufacturing output, and approximately 48% of the country's exports. MSMEs are an important sector for the Indian economy and have contributed immensely to the country's socio-economic development.

It not only generates employment opportunities but also works hand-in-hand towards the development of the nation's backward and rural areas. After agriculture, MSME is the second-largest employment provider in India. Presently, there are nearly 56 million such enterprises in various industries, employing close to 124 million people. Of these, almost 14% are women-led enterprises, and close to 60% are based in rural areas. In all, the MSME sector accounts for 45% of merchandise exports 8% of India's GDP. Due to this, the MSME sector is called the growth engine of the nation. Strengthening them would have multiple impetuses boosting economy and employment as well as mitigating issues of migrating skilled, unskilled workers and professionals to metro cities.

MSME

MSME stands for Ministry of Micro, Small and Medium Enterprises. MSME sector in India is second largest employment generator after agriculture and act as a breeding ground for entrepreneurs and innovators with considerable support in strengthening business ecosystem. The estimated number of MSMEs produce more than 6,000 products for local and global consumption in India. The estimated number of MSMEs in India is 63 million and employ 110 million individuals.

According to DGCIIS data, the value of MSME related products in India is \$147,390.08 million and contributed 48.56% of total export during 2017-18. Data from 2019 shows that sector contributed 29% to overall GDP. Various reports, researches and surveys have proved again & again that this sector act as a catalyst for socio-economic development of the country. The Government's new mission of achieving \$5 trillion economy target by 2025 play an important role with expected contribution to GDP above 50% mark.

The announcement of country wide lockdown dragged MSME owners, employees and external stakeholders in unexpected times, where no one had experience to handle this kind of situation. External lockdown had negative impact on supply of finished goods, procurement of raw material and availability of employees to work in production and supply process. During April to June 2020, sector faced challenges related to debts repayments, wages/salaries, statutory dues, etc.

Over 82% of more than 250 small businesses in India said that they had a negative Covid impact while 30% believed their pre-Covid level recovery to take nearly a year, according to a survey by Dun & Bradstreet. Moreover, and around 60 percent survey respondents expected more measures and support from the government even as lack of market access (42%), overall productivity improvement (37%) and access to more finance (37%) were the top three challenges cited by MSMEs in the survey titled 'Impact of COVID-19 on Small Businesses in India and the way ahead'. The surveyed businesses is seven major cities belonged to the manufacturing and services sectors with annual revenue between Rs 100 crore and Rs 500 crore. The jump was marginally higher among small enterprises from 29 percent before covid to 53% during the said period for revenue generation. And according to the survey businesses have digitized their daily operations during this pandemic.

## Report

### Objective of the Quiz:

To make students aware of the importance of International Peace Day on September 21 2021. The International Day of Peace, also known as World Peace Day is observed every year on 21 September. This day is celebrated around the world to strengthen the ideals of peace, through observing 24 hours of non-violence and cease-fire.

This day promotes global solidarity for building a peaceful and sustainable world.

The United Nations Security Council (UNSC), in February 2021, unanimously passed a resolution calling for Member States to support a "sustained humanitarian pause" to local conflicts. According to the official website of UN, the global ceasefire must continue to be honoured, to ensure people caught in conflict have access to lifesaving vaccinations and treatments.

Sucking on a mango, Gandhi Bapu said, 'There's a mango tree in your sleep.'  
'Yes, I've come with mangoes into your sleep.'  
'Yes, Bakaa, We're eating the fruits  
of your sleep's mango tree in my sleep.'  
'Bapu, there's no clarity here.'  
'Clarity, Bakaa?'  
'About sleep, Bapu, There's some confusion, wake up.'  
Then Bapu and I rubbed out the boundary between our

No anxiety, no confusion now.  
Just one sleep.  
Just one.

## REPORT

The talk by Internationally known Artist/Painter Mr. Atul Dodiya was highly intriguing and enlightening. It was an apt event to commemorate 152 years of Mahatma Gandhi's Birth Anniversary which is on October 2, 1869. It was an artist's journey in the life and philosophy of Mahatma Gandhi. Mr. Dodiya spoke about how he was inspired by Mahatma Gandhi's book My Experiments with Truth; and that changed the complete perspective to look at the life of a simple clad man, the Mahatma. His paintings on Gandhi called Gandhi Series reflects Gandhi's philosophy of Satyagraha, Nonviolence, Sarvodaya, Swaraj and Loksamgraha. Mr. Dodiya speaking about his paintings on Mahatma Gandhi said, "Gandhi is an artist of Nonviolence." Mr. Dodiya also mentioned how Gandhi, a Gujarati from Saurashtra resembled Atul Dodiya's backdrop. And this was also one of the elements that is reflected in his paintings on Gandhi.

The participants included students, teachers, academicians and others from various field. Participants from Romania, Ukraine, Greece and India were present and graced the occasion. The talk was followed by Mr. Dodiya in conversation with Prof. Kanchana Mahadevan (Head, Department of Philosophy, University of Mumbai).

The event was jointly organized by the Department of Philosophy, R. J. College, Mahatma Gandhi Peace Centre, University of Mumbai and St. Andrew's Centre for Philosophy and Performing Arts.

## REPORT

To make students aware of the importance of Philosophy in one's life. World Philosophy Day 2021 intends to promote discussion on the different interactions of human beings with their social, cultural, geographical and political environment, with the underlying objective of better understanding the contribution of philosophy in contemporary societies and the challenges people face, especially the coronavirus pandemic.

Philosophy teaches us to reflect on every fact, to continually question well-established truths, to verify hypotheses and to find conclusions. It has been one of the integral wheels of human civilisation's progress over the centuries. It gives birth to unique ideas and concepts, and thus establishes its narrative of independent thought process. World Philosophy Day celebrates the importance of philosophical reflection and encourages people all over the world to share their philosophical heritage. The day promotes the value of philosophy in our society and the questioning of every dimension of human life. Philosophy, and even more so intercultural philosophy, is concerned with context and is, therefore, in its very essence, concerned with the transformation of society. 528 students from different faculties and institutes participated.
