products over non biotechnology employees. She also mentioned and encouraged students that being from a vernacular medium should not deter them from learning the language, attaining fluency and facing the world with confidence which is one of the keys to success.

Reshama Patade, reminiscing her 7 years with the Biotechnology Department, shared with students how basics of Biotechnology helped her in achieving what she has achieved till date. She urged students to earn while learning and emphasized on the importance of maths and physics in clearing entrance exams like GATE.

TYBT and SYBT Students interacted enthusiastically with alumni and they were encouraged to keep in touch with alumni in future for guidance.
