Dear SAIMA KHALID:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies Master of Science in Regulatory Affairs program for the Fall 2021 term at the Boston campus with a September start date.

Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies, we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):  
You must submit final official transcripts showing degree conferral and date.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, please confirm that you plan to attend by completing the enrollment confirmation form. This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://registrar.northeastern.edu/group/catalog/>. It is important to note that you are required to follow the program curriculum that is in effect during the Fall 2021 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Fall 2021 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

All admitted students who will be studying with an F-1 visa would need a Form I-20. Please contact the office of Global Services to begin your I-20 process at <https://international.northeastern.edu/ogs/getting-started/>

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,
